Dear Friends,

The 23rd Annual Parish Golf Day will take place in Elm Park on Tuesday, 19th June.

Since 1996 this venture has been an important source of funds to the many structural and maintenance projects undertaken in recent years by the parish Finance Committee such as the redecoration of the church, including the church porch and the organ gallery as well as the replacement of the carpet throughout the church. Last year there were essential repairs to the church roof, the gutters and the beautiful stained glass windows.

The major project this year is the refurbishment of the Parish Centre into a modern, fit-for-purpose Pastoral Centre which we hope to have opened by November. The proceeds of the Annual Golf Day are of great importance to projects such as this which is why we have increased the entry fee for this year. The format of the outing will be the same as last year! The event will be an 18 hole – 4 Person Scramble. Teams of 4 may enter or individuals can book and the Committee will make up teams. If you do not play golf, you are most welcome to book in for the dinner. This cost for this is €50.00.

This year, we hope the event will be a really enjoyable and sociable parish community day as well as a Golf Outing. I look forward to my first parish Golf Day in Booterstown! A warm invitation is extended to friends of the parish to join us. Your participation and support is greatly valued by me and by the Committee.

Yours sincerely,

Rev. Gerry Kane, P.P.

COMPETITION FORMAT

These are the rules for 18 hole 4 Person Scramble

Each player tees off. Then players select a drive. Whichever drive is selected, the player plays the ball, as it lies, from the spot. The other players may place their ball on the fairway only within 6” of that spot and play on. The same rules apply for subsequent shots from the fairway only. A ball coming to rest in the rough must be played from the spot and other players may drop (not place) their ball as near as possible to the original spot where the ball first came to rest.

- Choose ball on green for play – spot must be marked and second player must putt from this spot
- A player may not finish the hole before other player putts, otherwise the first putt must be recorded.
- 1/10 of the combined handicap.

Prize donations welcome.
