

Appeal for funds and form

A big THANK YOU to all who have already contributed. If you have yet to do so, please do it NOW!

As we have arranged funding which we plan to pay off over 3 years we are asking you to please consider making a monthly pledge over those 3 years. We know that it is easier for us all to pay a small amount regularly.

A donation of €5 per week is only the price of a pint, but, pledging this (€22 per month) to us over 3 years would contribute €792 to the project. With a tax refund this could be a contribution in excess of €1,100. Add a pizza to the pint (€65 total per month) and your donation could be almost €3,400 including tax refund over 3 years.

These examples are just to illustrate how the project can benefit from a tax effective pledge over three years. All your donations and most importantly your support are cherished by us.

Contribution to the Booterstown Pastoral Centre Development Project

I/we would like to contribute by pledging to pay the sum of €

Monthly Quarterly Half Yearly Annually

Method of Contribution
